UPUTSTVO ZA UPOTREBU

TEHNIČKE KARAKTERISTIKE:

Model: LED UFO lamp M460050-S2, M460100-S2, M460150-S2, M460200-S2

Radni napon: 220-240V/50-60Hz, Izvor svetlosti: SMD LED 6500K

Stepen zaštite: IP 65 (6-Apsolutna zaštita od prodra prasmine

-5 Zaštita od mlaza vode (voda iz creva pod bilo kojim uglom)

Temperatura okoline: -40 ~ +50°C, Vlažnost: 10% ~ 90%

VAŽNO UPOZORENJE:

Pri montiranju pažljivo pročitati uputstvo koje je priloženo uz svaku lampu i sačuvati ga.

Proizvod je potreban da instalira kvalifikovani lice. Pre instaliranja proveriti vodove struje. Isključiti osigurač. Nemojte uključivati proizvod dok se ne završi instalacija.

Koristite samo odgovarajuće žice za povezivanje. Dužina kablova na strujnim izlazima treba biti od 0,5m-2m kako bi se izbegle radio smetnje. Ukoliko dođe do kvara LED napajanje ili LED sočiva reflektor je potrebno zamjeniti novim. Nije predviđeno da ovaj proizvod koriste deca, osobe sa umanjenim fizičkim, senzornim ili psihičkim sposobnostima. Lampu je namenjena za uporabu u zaprthim i odprtih prostorijama.

INSTALACIJA:

Ušrafiljati nosač lampe. Povezati stруjne vodove pomoću klema ispravno, (crna ili braon žica (L) = faza, plava (N) = nula, žuta zelena (G) = uzemljenje). Uključite osigurač.

ODRŽAVANJE:

Pre čišćenja isključiti osigurač i dovod struje. Koristiti pamučnu krupu sa malom količinom alkohola za čišćenje okvira lampe. Ne koristiti jaka hemijska sredstva. Paziti da tečnost ne dođe u dodir sa električnim delovima. Ne koristiti lampu bez zaštitnog stakla, ukoliko bi se zaštitno staklo polomilo lampu zamjenite novom ili nabavite zaštitno staklo.

Upustvo za zaštitu čovekove okoline

Ova svetiljka se ne sme na kraju svog upotrebnog roka odložiti uz normalno smeće iz domaćinstva, već treba biti odložena za to predviđeno mesto za recikliranje električnih i elektronskih uređaja. Na to Vas upozorava i oznaka na samom proizvodu, uputstvu za upotrebu ili na pakovanju.

Ni jedan deo uputstva za korišćenje se ne sme reproducovati na bilo koji način ili koristiti, kao što su prevođenje, adaptiranje ili vršiti transformacija teksta i znakova; bez dozvole. Sva prava zadržava Trgovina Matejić d.o.o.

PROIZVODAČ / distributer ne preuzima nikakvu odgovornost za štetu ili negzodus nastalu zbog nestručne montaže ili neadekvatnog korišćenja

INSTRUCTIONS FOR USER

TECHNICAL SPECIFICATIONS:

Model: M460050-S2, M460100-S2, M460150-S2, M460200-S2

Operating voltage: 220-240V/50-60Hz, Light source: SMD LED 6500K

Level of protection: IP 65 (6-Complete protection against contact (dust tight),

-5 against enclosure from any direction shall have no harmful effects - Water jets)

Ambient temperature: -40 ~ +50°C

Humidity of Working Condition: 10%~90%

IMPORTANT WARNING:

Please read the instructions carefully before installation and preserve it well. Recommend, the lamp must be installed and assembled by qualified electrician. Before installation, please cut off the main power. Turn off the circuit. Do not turn the lamp on before the end of installation. Please use proper wire for connection. The lenght of output leads should be typically 0.5m-2m in order to keep radio interference minimum. This luminaire has a sealed LED lamp and is maintenance free, no lamp replacement is required. It is not intended that this product is used by children, persons with reduced physical, sensory or mental capabilities. Use for outdoor objects.

INSTALLATION:

Fix the base of the lamp to the wall with screws. Connect the power cables on the terminal blocks properly (black or brown wire (L) = live wire, blue (N) = zero, yellow-green (G) = grid-leak). Turn on the power.

MAINTENANCE:

Before cleaning turn off the fuse and power supply. Use only a cotton swab with a small amount of alcohol to clean the lamp body. Do not use strong chemicals. Do not use lamp without a properly installed safety glass, if the glass breaks, you should replace it immediately!

Information about protection of environment

This lamp can't be disposed on the end of-service with garbage from household, but should be postponed in a place for recycling electrical and electronic equipment. The alert is on the markings on the product itself, user's manual and box.

No part of the specification may be reproduced in any means or used to make any changes such as translation, transformation or adaption without permission from Trgovina Matejic d.o.o. All rights reserved.

The manufacturer / distributor no takes responsibility for damage or injury resulting from improper installation or improper use.

For your safety, install according to the instructions!!!
